HOME CARE SOLUTIONS

## EXPERT IN-HOME CARE

Providing professional companionship and personal care wherever you call home.

## CUSTOM CARE PLAN

A plan is built specifically for you or your loved one to maintain as much independence as possible, by providing appropriate in-home assistance from 2 to 24 hours per day.

## CAREGIVER VALUES

Professionalism  
Consistency  
Integrity  
Compassion  
Quality Training

## CERTIFIED CAREGIVERS

All of our caregivers are Professional Care Aides and receive ongoing training through our national affiliation with the Institute for Professional Care Education.

## BONDED & INSURED

To keep your family safe and free of liability, all of our caregivers undergo extensive background checks and are bonded & insured.

## How It Works

### Personal Assessment

We visit your home and conduct a detailed needs assessment, free of charge.

### Custom Care Plan

From the assessment, our Client Care Director creates a unique Care Plan to fit your specific needs.

### Assessment Updates

To ensure optimal care, our Client Care Management Team will make ongoing visits to conduct assessment updates.

### Family Connect Online

Secure access allows families to view schedules, share messages and documents, review care notes, and much more!

"Your company has lived up to what you said you would do. Very professional from day one... Thank you for helping us."

Jim E., Holland, OH
